

REPORTS ON THE ACTION TAKEN FOR VARIOUS PTA MEETINGS
CONDUCTED FROM 2016-2021

PTA general body meeting held on 02.05.2016

It was decided to schedule a study time in both the hostels for all years.

PTA General body meeting held on 01.07.2017

It was decided

1. One day study interval will be provided between examination during third internals.
2. Study time will be monitored more strictly in both hostels.

In the PTA general body meeting held on 30.06.2018

Mr. Koshy P Koshy said that the progress of students should be informed to the parents after each test paper.

One parent said that marks were less in second year for her ward. She also said that her ward should be given more attention.

In his reply , Dr. Mathew Mazhavancheril said that,

1. Software is being developed so that parents can be kept informed about the marks and attendance of their wards
2. Compulsory study programme is being held for the first year students to help students in studies.

Other than first years those students who need help can also join this programme.

In the PTA general body meeting conducted on 10.04. 2019

Decision was taken for the meeting to be conducted at least four times a year. Principal said that there were enough provisions for students to vent out pressure. Zumba dancing sessions were also started in hostel. Principal said that playgrounds were also available for students.
