

6.5.1 *Institution has a streamlined Internal Quality Assurance Mechanism*

Following NAAC guidelines, the college has established the Internal Quality Assurance cell (IQAC) as a post-accreditation (11-07-2016) quality sustenance measure. The IQAC of the college consists of faculty members, other staff, and students of the college and external experts from society and parents.

The academic calendar prepared every year is uploaded in the college website.

The intradepartmental action plan for individual department is prepared annually under the guidance of IQAC and a report on the execution of the plans along with the minutes of periodical meetings are available with the respective HODs.

IQAC is involved in the following activities:

- coordinates the various qualitative and quantitative improvement activities of academic and administrative activities of the college.
- extends support for organizing the programs for students' progress and support services
- encourages faculties' research activities
- facilitates the process of infrastructure development of the college
